

Associates Wanted in Saskatchewan

Lloydminster, SK. Practice for Sale: Practitioner would like to retire. New building with assumable lease and option to renew. Two examination lanes, dispensary and large patient database. For information please email sbts@sasktel.net.

North Battleford. Associate/Locum Wanted: Dr. James M Lawrence, solo O.D. maxed out with current patient load, is looking for an associate with certain potential for that person to enter into partnership if they so choose. We are also open to having a permanent locum practitioner for anyone who wishes to find additional work outside of the Saskatoon area. Full service eye care centre including retinal photography and fields, automated pre-test and refraction lanes currently used by the O.D., computerized office management, dispensary with onsite edging lab with custom design/drilling capability to meet the needs of any frame selected, resale contact lens stock with strong contact lens patient base. Wage expected to easily reach or even top 120K on the first year on a full time basis depending on the experience and productivity of the associate, even fresh out of training. For further information please call 306.445.4451.

Regina. Associate Wanted: Eye Health Centre in Regina is now looking for a Leading Edge Optometrist. If you are a progressive OD with excellent communicative skills, have a passion to provide quality customer service with empathy, an OD who wants to earn a 6 figure income the first year of practice, is organised, independent & a team player, and who wants to provide "top-quality" health care.

We Offer a high-end optical dispensary, state of the art digital examination equipment including fundus photos, visual fields, Cirrus OCT, corneal mapping, on line patient bookings and lap tops in each examination room, extensive contact lens practice, therapeutic certified, excellent rapport with Ophthalmology, refractive surgery co-management, potential for buy-in with strong business plan & long term growth potential for the "select" individual.

Please contact Dr. Diana Monea www.eyehhealthcenters.com, Phone: Regina 306.924.0544 or Calgary 403.254.1141 or 403.283.6636.

Rosetown. Associate Wanted: Associate required for one day per week in Rosetown SK. Contact Dr Tim Kendall at 306.244.7464 for more information.
