

Saskatchewan Association of Optometrists Occupational Vision Care Coordinator Position

Be part of an exciting and growing Association that creates and promotes programs which advocate eye health and safety! You will be responsible for the ongoing marketing and promotion of an Occupational Vision Care Program. You will have the opportunity to develop strategies that will grow existing programs and identify new ones.

Working with a small dynamic team and supporting over 100 client companies, you will draw on your organizational and marketing skills to help make a difference. You are accountable and a mature individual with demonstrated customer service skills and a priority for excellence. You will be willing to assume an active role in related Association initiatives.

The successful candidate will have a background in sales and/or marketing, have demonstrated strong written and verbal communication abilities, with excellent interpersonal skills. Preference will be given to those with **knowledge and experience as a licensed ophthalmic dispenser, optometric assistant or in a related health and safety industry.**

We offer a competitive salary in a professional environment working Monday through Friday. If you are an “attention to detail” and motivated individual, please fax or email your resume by February 26th, 2010 **including salary expectations**, in confidence to:
